

A Community-driven  
Massive Open Online Course on  
**Global Systems Science,  
Social Simulation & Policy**

Jeff Johnson, The NESS Project and The Open University, 00 44 77 966 966 21, MK7 6AA, UK

## **We are making a MOOC on Global Systems Science**

---

We would like members of the GSS community to

- advise on the content and curriculum
- give ideas on best how to teach GSS
- contribute learning materials – texts, videos, software, ...
- critique and give feedback during production
- help to deliver the course
- suggest other MOOCs
- form an Advisory Board

If you are willing to help in any way please contact
